

# Nutritional Information

PAGE 1 - 05/04/2018

Primanti Bros. is committed to serving delicious food- just the way you like it. We are proud to offer a variety of delicious favorites. As a good neighbor, we understand that choice is a priority for Guests who are watching what they eat. Please use the nutritional facts in this document to help you make your dining decisions.

While we are committed to providing as accurate nutritional information as possible, there may be differences between the

actual nutritional content of your freshly prepared menu item and the nutritional values provided in this document. The nutritional values stated may reflect content for a menu item in its entirety (e.g. including sides) or by separate menu item component. Please refer to the description in the menu category heading to identify which values are being reflected. The nutritional values we provide are derived using an industry standard database, but do not account for the natural variability that

occurs within ingredients, variation that occurs due to the hand-crafted nature of each plate or variation that may occur due to substitutions that Guests request.

We are happy to make any modifications or substitutions to your meal that you request, although these adjustments will impact the nutritional information detailed in this document.
